CPSE 2009 EXHIBITORS

Our future newsletters will feature a promotional paragraph about our exhibitors from our Construction Products & Services Expo 2009 in this column. The companies appear in the order in which they made their reservation for the show.

WESTERN WALL & CEILING CONTRACTORS ASSOCIATION / TECHNICAL SERVICED INFORMATION BUREAU: The "TSIB" is the technical arm of the Western Walls & Ceilings Contractors Association (WWCCA) serving the communities of Southern California, Southern Nevada and Arizona. WWCCA is the oldest (established in 1901) and most powerful wall & ceiling association in the West. The success of the association can be attributed to our ability to develop loyal and close relationships with contractors, building code officials, architects, engineers and other industry groups that are unparalleled in the wall and ceiling industry. The technical information gathered by TSIB has been generated through correspondence, educational programs, technical papers and dissemination of industry technical codes and standards. CONTACT: BRYAN STANLEY CSI (714) 221-5530; bryan@tsib.org. TECHNICAL ADVISOR & OCCSI PRODUCT SHOW CHAIR

SIMPSON STRONG-TIE COMPANY: For more than 50 years, Simpson Strong-Tie has focused on creating structural products that help people build safer and stronger homes and buildings. A leader in structural systems research and technology, Simpson is one of the largest suppliers of structural building products in the world. Contact: Joe Polder, 714-493-3388.

ORCO BLOCK COMPANY. INC.: Based in Stanton, California, ORCO Block Company, Inc. kept pace with the burgeoning concrete block industry and quietly grew into one of its leaders. Over the years, ORCO literally has provided the foundation on which much of Southern California is built to become a major seller of concrete block. ORCO also has become one of the top-ten concrete block manufacturers in the nation. It produces more than 500 stock items and maintains an ongoing emphasis on product research and development, quality control testing and support of technical studies. Its progressive management believes in re-investing profits back into the company. Contact: Juan Tejeda, CSI, CDT, LEED AP; 714-932-7120; JUAN.TEJEDA@orco.com

PARTITION SPECIALTIES, INC. (PSI): PSI furnishes and installs MODERNFOLD Operable Partitions and their new MOVEO Acoustic Glass Operable Wall with a 45 STC rating. SKYFOLD Powerlift Partitions the only automatic operating walls that folds vertically into the ceiling with a 51 STC. Up to 97% Recycled Content TATE ACCESS FLOORING: Are incorporated throughout most new buildings utilizing modular wiring, underfloor air distribution and carpet tile for enchanced flexibility and life cycle savings. Manufactured from over 32% recycled content Tate can assist in achieving a higher LEED rating. Contact: George Sayeg, CSI, Manager Business Development; 562-404-5000.

VISTA PAINT CORPORATION: Vista Paint Corporation is a regional paint manufacturer celebrating over 50 years in business. Vista Paint has 47 company owned stores throughout California and Southern Nevada. Our corporate office and manufacturing facility is in Fullerton, California. We are proud of our Carefree Earth Coat line of coatings which is zero VOC and low odor. Contact: Mo Marquez, CSI; 714-680-3800.

DRAPER, INC.: Draper is a family owned business started in 1902 with 560,000 square feet under roof, located in Spiceland, Indiana. We provide a variety of green building solutions, including window shades, projection screen surfaces, gym divider materials and wall pads. Please visit us at our website: www.draperinc.com for complete details of all our products. Contact: Draper Inc., Kathy Greenway, CSI - 714 396 9732.
